The image shows the OpenNebula Sunstone login interface. At the top, the logo "OpenNebula Sunstone" is displayed, with "Open" in black and "Nebula" in blue. Below the logo is a rounded rectangular form containing the following elements:

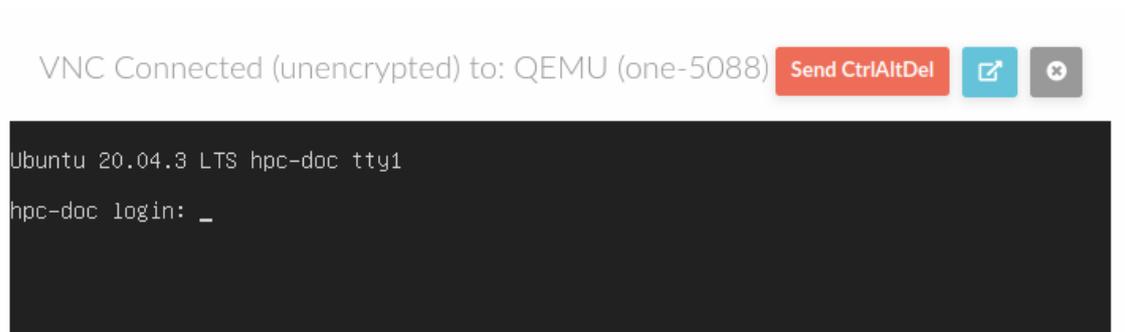

- A label "Username" above a text input field containing the text "teide-x01".
- A label "Password" above a password input field represented by a series of black dots.
- A checkbox labeled "Keep me logged in" located at the bottom left of the form.
- A "Login" button located at the bottom right of the form.

Al seleccionar una máquina virtual verá el siguiente menú:
